| 6. | <b>Accreditation level</b>  |  |
|    | What accreditation level do wish to obtain?   | <b>Core Standards</b><br>These standards are relevant to all veterinary practices and reflect mainly legal requirements which must be met in running a veterinary practice, together with guidance as set out in the RCVS Code for Professional Conduct.             |
|    | You will be assessed for the accreditation level you require but you will be accredited to the level you achieve.<br><br>[Rule 2] | <b>General Practice</b><br>Reflects the requirements of primary care which aims to facilitate the achievement of high standards and encompasses many facilities required for veterinary nurse Training Practice (TP).  |
|    |   | <b>Equine Ambulatory GP</b><br>This recognises there are equine practices that provide a GP level service but do not have stabling facilities or premises where they are treated.  |
|    |   | <b>Veterinary Hospital</b><br>Reflects the requirement above GP with additional facilities and protocols for the investigations and treatment of more complex cases.   |
|    |   | <b>Emergency Services Clinic Small Animal</b><br>These reflect the requirements of a designated out of hours provider. A Small Animal Emergency Service Clinic must fulfil the requirements for a Small Animal General Practice as well as additional ESC standards. |
|    |   | <b>Emergency Services Clinic Equine</b><br>These reflect the requirements of a designated out of hours provider. An Equine Emergency Service Clinic must fulfil the applicable requirements at Equine Core Standards level, as well as additional ESC standards.     |

### Please select your payment method

- I would like to pay £34.00 via bank transfer. (If you would like to pay by Bank transfer please make the Registration Department aware when you submit your application form and we will provide you with a reference number in order that you can then pay.)

### Contact Details

Please return your completed form by email to [registration@rcvs.org.uk](mailto:registration@rcvs.org.uk)

(Please note we can accept photographs of the form if you do not have access to a scanner).

**Please note your fee will cover you until the 31 March, which is the end of the annual registration year. The registration year runs from the 1 April to 31 March each year. Whilst your premises remains on the Register of Veterinary Practice Premises you will automatically be invited to re-register your premises which you do by paying your premises fee by the 1 April each year.**

**The Veterinary Medicines Directorate (VMD) is responsible for ensuring compliance with the Veterinary Medicines Regulations (VMR), including the registration and inspection of veterinary practice premises. The VMD aims to inspect all premises within six months of first registration. The frequency of ongoing inspections can vary between 12 months and four years and is based on risk. For further information on this please visit the VMD website on [www.gov.uk/guidance/registration-and-inspection-of-veterinary-practice-premises](http://www.gov.uk/guidance/registration-and-inspection-of-veterinary-practice-premises).**

**If a practice is in the Practice Standards Scheme (PSS) then a Practice Standards Inspector will carry out an inspection and ensure the practice is compliant with the VMR. For more information on the PSSscheme please visit [www.rcvs.org.uk/setting-standards/practice-standards-scheme/](http://www.rcvs.org.uk/setting-standards/practice-standards-scheme/)**
